MISCELLANEOUS.

[3536]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 21st day of October, 1896.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

ON A REPORT, dated 9th October, 1896, from the Acting Minister of the Interior, stating that by Order in Council of the 17th August, 1889, the Minister of the Interior was authorised to take the necessary steps to convey to the Government of British Columbia Dominion lands not to exceed 45,037 acres in extent, known as the "Sumas Dyking Lands," so soon as a description of the lands to be so conveyed was furnished.

The Minister further states that a copy of this Order was communicated to the Government of British Columbia, and the Lieutenant-Governor stated that a schedule of the lands required to be conveyed to the Province had been prepared and approved by the Agent of Dominion Lands in British Columbia and the Surveyor-General (of British Columbia), and he confirmed the approval of the said schedule. On examining this schedule, it was found that part of the lands required by the Province were not so described that they could be identified, and in consequence the Minister of the Interior was unable to take the steps contemplated by the Order in Council of the 17th August, 1889, to transfer these lands, but they have since been dealt with or granted, and many of the lots surveyed by the Province.

The Minister also states that copies of the field-notes of these surveys having recently been made by an employee of the Department of the Interior, and some additional information having been furnished by the Deputy Commissioner of Lands and Works of British Columbia, the lands in question may now be described. Two of the lots in Township 16, east of the Coast Meridian, applied for by the Province, containing together 152 acres, have been patented as homesteads to E. B. Ackerman and cannot be transferred. On the schedule accompanying the Order of the Lieutenant-Governor in Council of the 4th December, 1889, the name of E. B. Ackerman appears as the Provincial Grantee of the two lots in question.

The Minister, in order to close this transaction, recommends as follows:—

1. That the lands described in the schedule herewith, amounting to 44,902.2 acres, which are believed to be the lands required by the Province, be vested in Her Majesty for the purposes of the Province of British Columbia, under the provisions of the Act 52 Victoria, chapter 7.

2. That the surveys of the said lands which have been made under the authority of the Province be accepted.

3. That the Dominion shall agree to accept any survey of such of the said lands as are now unsurveyed which may be made under authority of the Province, provided that the Province shall furnish copies of the plans and field-notes of such surveys within three months after the receipt of such plans and field-notes by the Department of Lands and Works of British Columbia.

4. That surveyors employed by the Dominion be authorised to survey such of the boundaries of the said lands as they find unsurveyed and that the Province shall agree to accept such surveys provided copies of the plans and field-notes be furnished within three months after the receipt of the same by the Department of the Interior.

5. That all surveys of the said lands, whether made under the authority of the Dominion or of the Province, be subject to the correction of any gross errors (if any) that may be discovered.

6. That the concurrence of the Lieutenant-Governor in Council be asked in the proposed arrangements.

The Committee, concurring in the above, advise that a certified copy of this Minute, if approved, be forwarded to the Lieutenant-Governor of British Columbia.

JOHN J. McGEE,  
*Clerk of the Privy Council.*
